

## FarBo<sup>®</sup> Calliper

Calliper for roof drainage systems

### Applications

- To assist in selecting the correct size roof outlet, especially for use in retrofit applications

### Key Features

- Markings on the guage show what size FarBo roof outlet should be used.
- notch at 300mm to denote the measurement at the point where the seal fits against the existing pipe

Code	Description
FO-CALLIPER	Clearly marked to show inside dimension of existing outlet or rainwater downpipe. Also determines the correct size FarBo roof outlets
