

FarBo® ParaDrain 600mm rainwater outlets

ParaDrain 600mm rainwater outlets for roof drainage systems

Applications

- Rainwater outlets specifically designed for use in through-wall applications or parapets

Key Features

- High quality 600mm long spigot manufactured from stainless steel
- Factory bonded flange to match specific membrane material being used (material must be specified at time of order)
- Membrane attached to the outlet allows for easy installation
- Suitable for use in new build or refurbishment applications

Datasheet

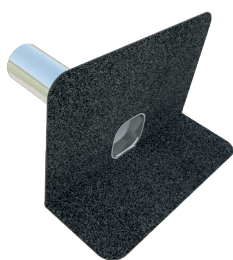

Document Reference: DS-RDS-PARA-7.17/01
