

V-Seal®

VL series pipe flashings

Application

- Provides weatherseal for pipes, chimneys, flues and other penetrations through slate and tiled roofs

Key Features

- Large malleable Acrylead base is simply formed to match profile of slates and tiles
- Acrylic primer coating on lead sheet ensures safe handling
- Flexibility - allows for expansion, contraction and building movement
- Simple to fit sleeve marked with pipe diameters
- Life expectancy in excess of 20 years under normal weather conditions

Datasheet
